Dear Mr. Travous:

A joint ADOT/ASPB review of the above referenced agreement (enclosure 1) reveals a no-cost contract amendment is warranted to address errors and omissions in the agreement. We may use this instrument as Amendment No. 1. Therefore, that certain document referred to as the project "Design Concept Report" (enclosure 2) is added to the agreement as Exhibit A, which shall be attached to the contract and made a part thereof.

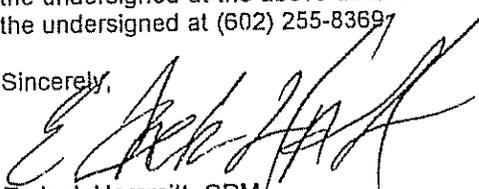

Moreover, so much of part III 1 (miscellaneous provisions) is amended as follows:

a Paragraph III.1 is deleted in its entirety

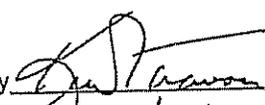

b. The following is substituted (as part III 1) "...The work contemplated herein shall be accomplished generally in accordance with Exhibit A, which is attached hereto and made a part hereof, and nothing in this agreement shall be construed to conflict with Exhibit A in any way." All other terms and conditions of the agreement remain the same
